FIFTEEN CENTS

Something new: Community Nite

'Meet the people
who serve you'

The people of Antioch, both village and township, will gather at the high school commons tonight (Wednesday) for a new event - Antioch Community Nite.

The hours are 7 to 10 p.m.

It is sponsored by the Antioch Township Republican Club but Frank C. Johnson, president of that group, emphasized it won't be a political rally.

"IT'S A SOCIAL evening," he said. "There won't be any speeches, just a mixing and gathering of people."

He added that attendance is free and adults can bring their children along. It isn't a dress-up affair, just an informal, casual night ... and with free refreshments.

"We want people to come out and meet the men and women who serve them," Mr. Johnson said. "We're going to have many organizations participating."

THE RESCUE SQUAD, for example, will give free blood pressure checks. Village and township officials will be there to talk with residents. There also will be a table at which people can register to vote in the next election.

The fire department will be represented as well as the various schools in the community. Also on hand will be representatives of the area vocational school and adult evening school classes.

Service clubs and other organizations setting up small meeting areas include the Lions Club, the Jaycees, Rotary, the Antioch Woman's Club, PM&L Theater, the Northern Illinois Conservation Club, Lakeside Rebekah Lodge and the Lake County Council on Alcoholism.

If you have any questions about what's going on in Antioch, Mr. Johnson suggested, Community Nite is the place to get the answers.

Bike riders to raise money to fight cancer

Youngsters and adults are getting ready to ride Sunday in the 7th annual Antioch Bike-A-Thon.

The event raises money for the American Cancer Society and will be held from 9 a.m. to 4 p.m., with cyclists touring a seven-mile route that starts and finishes at the fire station on Orchard St.

Pres Reckers, chairman, said enthusiasm and interest is growing as the ride approaches.

PRIZES TO BE AWARDED to top riders include a 10-speed bike donated by the State Bank of Antioch, a 5-speed bike donated by the Shoe Box and a 3-speed bike donated by Four Squires clothing store.

ENTRY BLANKS are now available in area schools, at the Antioch village hall, State Bank of Antioch, The Shoe Box, Four Squires and McDonald's.

The annual Bike-A-Thon event will be taking place on 14 separate routes throughout Lake County.

The seven-mile Antioch route will start at the Fire Station and proceed west on Orchard Street to David Street, then south to Lake Street, west to Tiffany Road, north to North Avenue, south to Little Silver Lake Road, and west to the Fire Station starting point.

Participants in the Bike-A-Thon can begin their ride.

Parents visit high school next Tuesday

"Back To School" night for parents at Antioch High School is planned next Tuesday, Oct. 3, at 7:30 p.m.

The event is sponsored by the Parent-Teacher club and the school.

After a short orientation session in the Commons, parents will follow their student's schedule through a typical school day. Periods will be shortened to five minutes for parents to meet briefly with teachers.

Following the completion of the classes, parents and teachers will return to the Commons for a social hour.

Orders for the 1978-79 school yearbook will be taken.

Work is underway on new apartments

Four new apartment buildings are under construction at the corner of Poplar and Main streets in Antioch.

Del-Mar Construction Company of Schiller Park, Ill., is the developer, represented in Antioch by Mr. James Morgan.

The buildings will be designed under a colonial motif and are classified by Mr. Morgan as "ultra-deluxe."

All amenities will be provided in each individual apartment, including refrigerators, ranges, dishwashers, clothes washers and dryers.

EACH BUILDING will include four separate apartments, and each apartment will contain two bedrooms,

two baths, a living room, dining room and kitchen.

Parking facilities will be provided. All buildings will be protected by a security system.

Construction on the site began approximately a month ago.

According to Mr. Morgan, first occupancy is expected sometime in December.

It is hoped that all four buildings will be completed by spring, 1979, he said.

Ray's Shell station is burglarized

Ray's Shell Station, on Toft Ave., Antioch, was burglarized sometime between the night of Wednesday, Sept. 20, and morning of Sept. 21.

A window at the station was broken and about \$200 was stolen, police said.

Investigation of the case is pending.

Gaetano E. Lisuzzo, 29, of Maplewood Drive, Antioch, was arrested Sunday by Antioch police on charges of burglary.

Lisuzzo's house had been under police surveillance by request of the Chicago Police Department.

Lisuzzo has been turned over to Chicago authorities and awaits a court appearance, police said.

Chicago police told Antioch authorities that Lisuzzo is a suspect in a house burglary in which the owner of the home surprised the intruder. A high speed chase on a Chicago expressway followed, detectives said, but two men in a car eluded police.

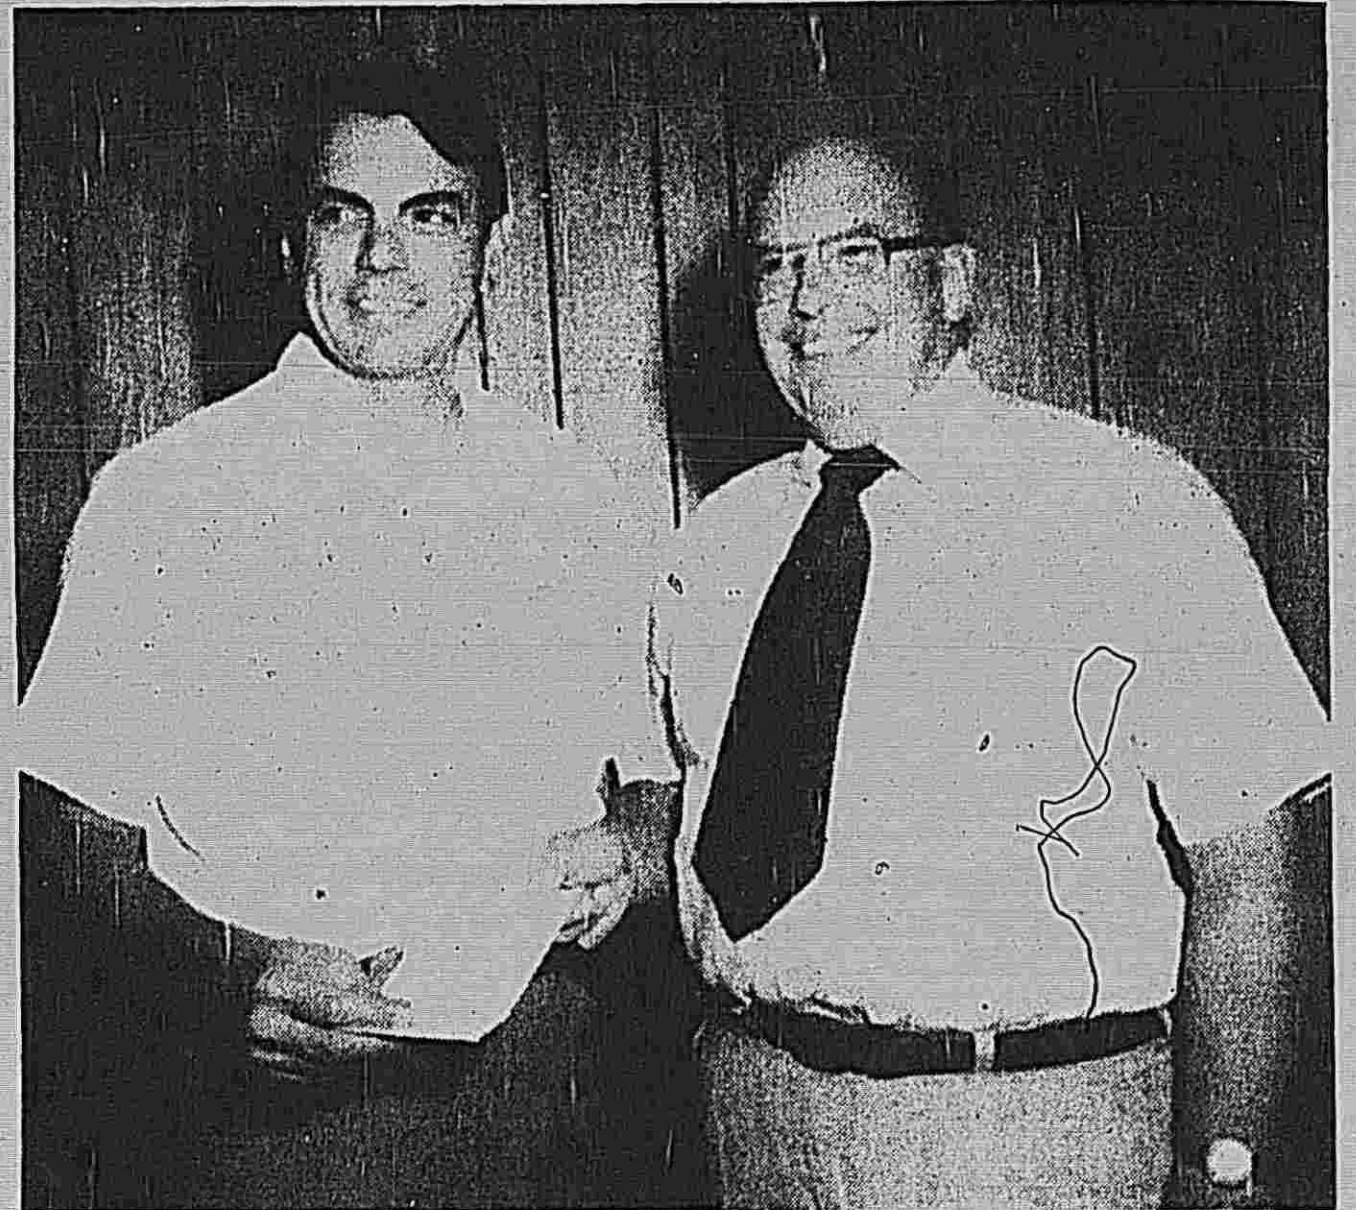

Michael Rich, 20, of Antioch, was arrested Saturday for possession of marijuana. His court appearance is pending.

Grade School meeting is rescheduled

The regular meeting of Antioch Grade School District 34, scheduled for Tuesday, Oct. 3, has been cancelled.

Dr. Donald Skidmore, district superintendent, said the meeting will be rescheduled for Tuesday, Oct. 10, at 7:30 p.m. at the Upper Grade School.

FIRST PRIZE WINNER - Richard Kirkpatrick of Antioch received a half a steer in the raffle for the benefit of the Antioch Lions Club, Antioch Little League and Babe Ruth League. Sharing the good news with Mr. Kirkpatrick is William E. Brook, president of the State Bank of Antioch. The bank successfully bid for the Lake County Fair 4-H Reserve Grand Champion Open Class steer and donated it for the raffle. The bank's donation of the steer is an annual event. A second prize hindquarter of steer was won by Ron Stryjewski, of Antioch, and third prize, a fore-quarter, was presented to Tom Huebner, also of Antioch.

Most school districts decline in enrollment

Antioch Community High School and Emmons Grade School have a few more students this year, contrary to a trend of declining enrollments which began in 1972 in Lake County school districts.

William L. Thompson, regional superintendent of schools, said "the trend indicates a continued decline until the late 1980's."

ON THE SIXTH DAY of school this fall, Antioch High School had 1,814 students,

seven more than at the same time last year.

Emmons was up five students over last year - this year's enrollment being 198.

THE ANTIOCH GRADE school district, No. 34, was down 30 students with a total enrollment of 1,642.

Grass Lake school district was down 12, with 304, and Millburn elementary down 11, to 174.

Lake Villa elementary district, No. 41, was up 21 students - to 1,591.

Migration of birds remains a mystery

By LINDA BARNES

FOR NATURE LOVERS ONLY

One of nature's many mysteries and miracles is the seasonal migration of birds.

We are all familiar with this phenomenon.

As the weather becomes cooler, the days grow shorter, and the leaves begin to fall, we can notice various species of birds lining up on the gutter trails of houses, or telephone lines, preparing for their long journey south.

HOW BEAUTIFUL and free they look. For a moment, it is not difficult for us

land-bound creatures to feel envious of their freedom of movement - and their ability to fly.

Often, the birds' preparations are accompanied by much animated and contagious chatter and excitement. This is, to us, also a familiar part of the autumn season.

And yet, despite their familiarity, the migrations remain a mystery, even to the most specialized and knowledgeable of ornithologists.

SCIENTISTS ARE SURE that the length of day is one important factor which induces birds to migrate. Experiments show that the length of day affects hormone production, which then causes physical and behavioral changes.

As spring approaches, the day lengthens and the birds migrate to breeding grounds. Migratory birds breed only in their summer homes.

Yet, this is only part of the full explanation. Other factors may involve

rainfall, temperature and change of food supply.

The navigational skills of migratory birds also remains a mystery.

SCIENTISTS KNOW that landmarks such as coastlines and mountain ranges act as guidelines for migratory birds. Birds that fly over the ocean use cloud formations and patterns as guidelines.

Birds also use the sun to determine direction. Those that fly by night use star patterns as sign posts.

These factors, once again, are only part of the explanation. Scientists suspect that there are other navigational clues yet undiscovered.

NORTH AMERICAN BIRDS use four major migratory routes: the Pacific flyway, along the west coast, the central flyway, which follows the Rocky Mountains, the Mississippi flyway, which follows the Mississippi River, and the Atlantic flyway, along the east coast.

The bobolink, of southern Canada and northern United States, makes one of the most extensive and remarkable journeys of all migratory birds.

Each fall and spring the bobolink flies between 4,000 and 5,000 miles.

These birds travel at night in flocks. One night's journey averages 500 miles non-stop!

Trustees like energy program

Village trustees met last Saturday with Mr. Michael Teeley, environment education director for School District 34, to further discuss the possibility of an energy

conservation pilot program.

A report of Saturday's meeting was given by a village trustee, Mr. William Seemann, at Monday night's village committee meeting.

Mr. Seemann said he felt the pilot program would be an excellent one for the village of Antioch to participate in. The purpose of the program would be to investigate what could be done to conserve energy.

Mr. Seemann mentioned one conservation project, the "infra-red fly-over." This is a type of infra-red photograph, taken by air, which provides a picture of which houses in the area are losing heat.

Trustees were sufficiently impressed to instruct Mr. Teeley to begin initial application procedures to apply for a grant for the pilot program.

the Pfarr Corner

Mr. Pfarr didn't get around to writing his column again this week. Instead, he spent Monday night watching the Chicago Bears game.

This time I understand. That was enough to destroy anyone's sense of humor.

Gun Safety Rules Given

Some millions of American males—along with more than a few females—are taking to the woods this fall, firearms in hand, in search of live targets.

These are the hunters among us. The American Medical Association has a note of caution for those who are planning a fall safari into the fields and woods in search of birds, small animals, deer and other game.

Before you pull the trigger, know what you're firing at.

The hunter who blazes away at everything that moves is a highly dangerous animal. His quarry might well be another hunter.

Each year several hundred hunters return from fall outings via hearse. Thousands of others return with a load of bird shot or a rifle bullet to be dug out. Behind almost every hunting accident is one cause—carelessness.

Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Unload first and reload after crossing. Don't shoot at a hard, flat surface. Glancing bullets can carry long distances.

Always carry a gun so that you can control the direction of the muzzle if you stumble. Be sure the barrel is clear of mud, snow or other obstructions. A clogged barrel may burst. Keep the safety catch on until ready to shoot.

Leave your liquor bottle at camp, and wait until you're through the day's hunting and the guns are unloaded to take that first drink.

Special liquor license 'denied'

A village license committee meeting Monday night once again brought a denial of Herman Behm's request for a one-day-a-week liquor license.

This was decided after the village trustees reviewed letters directed to the board involving Mr. Behm's request.

The Oakwood Knolls Property Owners Association sent a written recommendation that Mr. Behm's request be denied.

A LETTER FROM village attorney Andrew Lynch, explaining ramifications which possibly could arise with the issuance of this type of license also was read.

The license was requested in conjunction with Mr. Behm's plans to hold dances at the Auction Center for older members of the community.

"The only thing I'm afraid of is, if you let the door open for this, you're letting yourself open for trouble later down the way," said trustee Vern Barnstable.

"I don't think we can really structure issuance of licenses that narrowly," said trustee Don Amundsen.

TRUSTEE RON CUNNINGHAM said he could go along with the request if the license was initially restricted to see how it would work out.

The majority of board members were against the idea, however; and it was informally decided, once again, that Mr. Behm's request would be denied.

Mr. Behm, who was present at the meeting, then asked if he legally would have the right to hold the dances and ask people to bring their own liquor.

Trustees were not completely sure of village ordinances regarding this question, and it was decided to consult attorney Lynch on this issue.

LATER AT THE MEETING, board members discussed the possibility of inspecting buildings in the village which have been sold and will undergo a change in ownership.

Inspection would involve certain basic items, such as wiring and plumbing, which affect residents' health and safety.

"I think it is something which should be upgraded," said Mr. Amundsen.

"We're talking about obvious problems that affect the life and safety of people in the village," he said.

Mr. Dick Stroner, building inspector, said attorney Lynch will review village ordinances regarding this issue and will draw up a list of basic items to be inspected.

Hear tell last Saturday's Rotary Club Bar-B-Que and Auction was a huge success.

There were a lot of excellent auction items and Jim Hamlin bought one of the best - Homer White's overalls.

But Homer, president of Rotary, was prepared - he had Bermuda shorts underneath. So Jim offered \$40 for the shorts, but Homer bid him up to \$65 in order to keep his pants on.

A total of 549 delicious barbecued pork chop dinners were sold. Each year Rotary's big fund-raising event attracts a larger crowd. The club uses the proceeds for projects benefitting the community of Antioch.

Vern Thelen, chairman of the event, said "everyone had a good time, and that's what it's all about."

He thanked everyone who helped make it the most successful fund-raising event the Rotary Club has held so far.

WE SURE HATE to see Paul and Nancy Kinas leaving Antioch but we envy them, too - at least they'll be spending their winters in Clearwater, Fla.

Paul will be leaving the State Bank of Antioch and Nancy is giving up her job as executive secretary of the Chamber of Commerce. Their lovely little daughter, Michelle, will be leaving too, of course ... and the date is Oct. 13.

Good luck to you three. We'll visit you when we're lucky enough to get to Florida.

Hunting corrections

The Department of Conservation wants to correct hunting dates and regulations issued earlier in a press release.

The possession for goose was incorrectly set at 10 birds in the release. Actually, the possession limit for goose hunters is five geese, not more than four of which can be Canada geese or their subspecies and not more than two of which may be white-fronted geese.

The daily bag limit allows up to five geese a

day, not more than two of which can be Canada geese or their subspecies, white-fronted geese, or one of each.

Shooting hours are from sunrise until 3 p.m.

The Chamber of Commerce, incidentally, must find a replacement for Nancy. Applicants can call her at the Chamber office, 395-3381.

New grade school contracts okayed

The Tuesday, Sept. 19, meeting of Antioch's Grade School District 34 brought news of the finalization of all major contracts for construction of Antioch's new grade school.

The legal staff of the Capital Development Board (CDB) has completed its review of all bids, and contracts have been officially awarded.

A PRE-CONSTRUCTION meeting, directed by Dr. Donald Skidmore, superintendent of District 34, is being planned and he will invite all major contractors.

Major contractors include:

Jenkins and Boller Co., Waukegan - general contractors.

William Ziegler & Son, Round Lake - plumbing contractors.

Hans Jensen and Sons, Chicago - heating contractors.

Carey Electric, McHenry - electrical contractors.

THE BOARD PROVIDED Dr. Skidmore with a directive to pursue bids for a generator, pad and fence, and TV hook-up for the new school.

The budget for the new grade school was also reviewed. Responses among the board members were favorable.

Flyers will soon be created for the contest to name the new school.

The essay contest will be open to the public. The prize will be \$300 worth of books to be placed in the new school's library in the winner's name.

only from the first checkpoint of the Fire Station starting at 9 a.m. Other checkpoints on the route are the Antioch Evangelical Free Church on Tiffany Road and the Atwood residence on Deep Lake Road, south of North Avenue.

RIDERS ARE ENCOURAGED to ride the Antioch route as many times as they are able, but no one can pass through "checkpoint one" at the Fire Department after 3 p.m.

Anyone who wishes to participate should obtain as many sponsors as possible prior to the date of the ride.

Parents, teachers, friends, relatives, neighbors, merchants and businesses are good sources.

They can be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile, and many sponsors in the past have paid more per mile.

RIDERS MAY CARRY a small passenger during the ride and sponsors for the little one can also be obtained.

Prize-winning top riders in the 1977 Bike-A-Thon event were Timothy Cook, first prize with a total of \$725.25; Roger Knowlton, second prize with \$382.60; and Shawn Kelly, third prize with \$322.40.

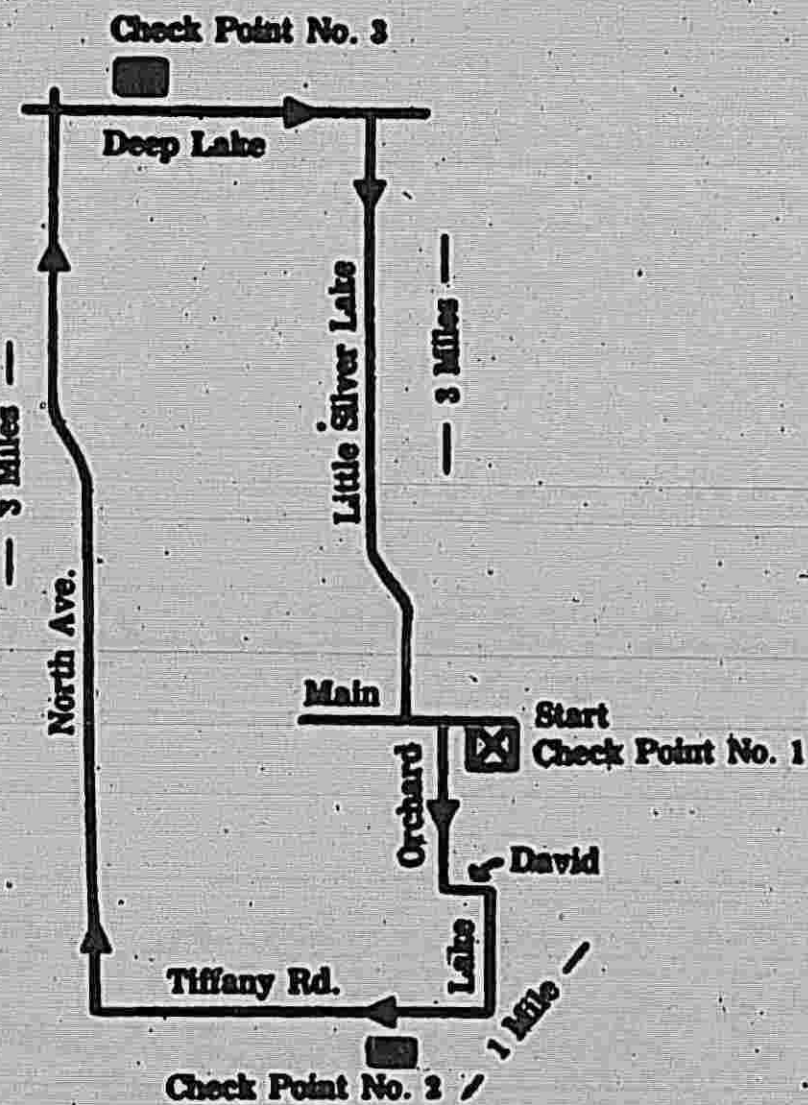

"This event attracts riders of all ages, said Mr. Reckers, and we have always been fortunate to have the total cooperation of the community, including interested citizens, members of the Fire Department, Police Department, and Antioch Jaycees."

"If you're planning to take a Sunday ride on Oct. 1, we welcome one and all to make it a cycling event for the benefit of cancer research," he added.

AN AWARD IN MEMORY of James Walsh of Antioch was presented to Daniel Stolarik (left) by Mrs. Walsh at the 50th anniversary celebration of the Lake County Life Underwriters Association. The "August Helle-James Walsh award" is given annually to the association member who has contributed most in his association, community and industry in the past year. The award was renamed to commemorate the former association president, James Walsh, who passed away this year. "Mr. Walsh had been an outstanding member of the association over the years and had truly personified the service concept of the association," Stolarik said.

THE DRAWING above shows how the new Antioch Auto Parts store will look when completed. At the right is a photo taken at the current stage of construction. Owner Mike Sexton hopes the new building on Route 173, just east of Hy. 83, will be finished by Christmas.

Sexton's new building going up

Christmas, 1978 is the target date for the opening of the new, enlarged Antioch Auto Parts, to be located at Routes 173 and 83, just west of the Advertiser.

Owner Mike Sexton said the new building, presently under construction, will be two and a half times the size of the present store.

It will provide 11,000 square feet of automotive supply, thereby facilitating overcrowded conditions currently being met at the old store. It will also allow for expansion of stock.

"We intend to enlarge what we carry," said Mr. Sexton. "The type of thing we do will not be changed. I'm not going to enlarge into areas I don't belong in," he said.

Extensive parking facilities will be another feature of the growing Antioch Auto Parts.

The store has served Antioch for 15 years.

LAURA ANN KESSLER, Rt. 4, Antioch, has been selected for inclusion in the 1978 edition of Outstanding Young Women of America.

The Program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership - qualities which deserve to be recognized

and remembered.

Laura, along with approximately 12,000 fellow Outstanding Young Women of America, will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the fifty-one state awards to be presented to those women who have made the most noteworthy contributions in the individual states.

From the 51 state winners, 10 will be chosen and honored at an awards luncheon in Washington D.C.

ANTIOCH firefighters Wayne Parthun, Kevin Kelly and Paul Maplethorpe attended a two-day seminar last Thursday and

Friday at Lewis University.

The seminar was sponsored by the Illinois Fire Inspectors Association and dealt with a variety of fire inspection and prevention principles, along with new firefighting theories and techniques.

LAST Thursday, Michael Warren returned to Antioch after completing a 3-day course entitled "Successful Exchanging through Knowledge and Cooperation."

The seminar was sponsored by the Wisconsin Exchange Club and approved by the Wisconsin Real Estate Examining Board.

Mr. Warren and Edna Dalgaard of Century 21

recently completed the course "Trade Secrets of Exchanging and Real Estate Ownership." Edna holds a seat on the National Real Estate Exchange Academy Board.

"By exchanging property rather than disposing of it by sale, an investor's entire tax burden including capital gains tax and recapture of excess depreciation may be relieved," Mr. Warren said.

All about town ...

By LINDA WALKER

Saw an old friend of ours the other day, John Slatner. We used to always see John at Antioch Drugs, but he is currently self-employed over in Wisconsin.

John and his family recently moved across the state line and find it very enjoyable. Glad to know that someone else agrees with me ... Wisconsin is beautiful.

LYONS- RYAN FORD, on Route 173, has been busy all summer remodeling the showroom and adding new offices. Hopefully, the work will be completed before the first of the year.

Also, they are giving away an all-new, completely restyled 1979 Ford Mustang. Prospective contestants need only register at the local Ford dealership. No purchase is necessary and the winner need not be present. The drawing will be held in November.

And last, but certainly not least, this is the final week for registration for the Punt, Pass and Kick competition. Boys or girls ages 8 to 13 can register with either Gary Klean or Kevin Lyons. The final competition will be held Sunday afternoon, Oct. 1, at the high school football field.

Oh, one more thing ... I hear Pat Ryan accidentally bumped into Muhammad Ali in New Orleans after his recent bout with Leon Spinks. Talk about being speechless. Pat still hasn't touched ground.

HOW NICE of Al Pedersen Jr. to inquire if I still worked for "The News."

I hadn't been out to see our friends at Pedersen Bros. Implement for several weeks, and it's always great to

know your absence was missed.

WOULD YOU LIKE to win \$15 in cash from Pedersen Bros., or a gift certificate at Rittenhouse & Embree or Las Vegas Restaurant?

All you need to do is enter our football contest and correctly predict this week's upcoming football game against Lake Zurich.

The entry blank appears in our sports section. Good luck.

SOMEONE WHO PREFERS to remain nameless (her initials are L.O.) accused Annie Mae of being the town gossip. I happen to think Annie Mae's wisdom is constructive.

I would like to propose this Thursday "National Annie Mae Day."

Let's give our longtime columnist a loud "Hip Hip Hurrah!"

DICK KESSLER, son of Mr. and Mrs. Richard Kessler, Rt. 4, Antioch, has enrolled at Illinois College, Jacksonville.

Illinois College, a private liberal arts school founded in 1829, was the first college

in the state to have graduated a class. The College will celebrate its 150 years of existence in 1979 with Sesquicentennial observances to commemorate this historic occasion. The hilltop campus

is one of only eight Phi Beta Kappa chapter colleges in the state, symbolic of high academic excellence.

COLLEEN GOOD, daughter of Mr. and Mrs. Stuart Good, 422 Harden St., Antioch, is participating in the student teaching

program at North Central College in Naperville during the 1978-79 fall term.

Miss Good is teaching second grade at Highlands elementary school in Naperville as a part of her requirements for state teacher certification.

MR. and MRS. JAMES JANUARY

Barbara Dodd weds Mr. James January

Miss Barbara Dodd, daughter of Mrs. Douglas Dodd, Antioch, became the bride of James January in an afternoon ceremony performed by the Rev. Stephen Williams and Rev. Donald Bower at the Antioch Methodist Church, Aug. 19.

James is the son of Mr. and Mrs. Ernest January of Antioch.

Miss Nancy Easum, the bride's college roommate, attended her as maid of honor and Jeffrey January served his brother as best man.

Completing the wedding party were Julia Siavelis and Beverly Kramer as bridesmaids and Michael Allen and Edward Kramer as groomsmen.

Following a reception at Willow Pond Country Club in Libertyville, the couple left on a honeymoon trip to Colorado and South Dakota. They are now at home in Vernon Hills.

Barbara graduated from Illinois Wesleyan University and is a nurse at Highland Park Hospital.

James is employed as an industrial engineer at Marsh Instrument Co., Skokie, having completed his studies at Illinois State University, Normal.

Normal-Bloomington — Keeping the "Big Red Marching Machine" at Illinois State University "on the track" as it maneuvers through its complex march steps and halftime shows is the responsibility of 70 band members named rank leaders for the 1978 season.

Dorothy Neyitt of Antioch is "rank leader" in the flute section.

The band, which numbers 330 marching musicians, rifle bearers, baton twirlers, Coryphees (Pom-pom squad), flag bearers and drum majors, is directed by associate professor Roger Faulmann.

THREE GRADUATES of Antioch High School have registered for the fall quarter at the Milwaukee School of Engineering. They are:

Ronald O. Gossman, son of Mr. and Mrs. Robert Gossman, in architectural and building construction engineering technology;

Michael W. Polsgrove, son of Mr. and Mrs. Roland Polsgrove, Ravine Drive, Lake Villa, in electrical engineering.

Tracy B. Sodman, son of Mr. and Mrs. Albert Sodman, in computer engineering technology.

A total of 1,450 students have registered for day courses at the school.

THE ENTERTAINER

Steve, Maria Gardner to sing at Free Church

The Antioch Evangelical Free Church will feature Steve and Maria Gardner in concert during the evening services on Sunday, beginning at 7 p.m.

The couple has been widely acclaimed by young and old alike for their contemporary, popular presentation of gospel and sacred music.

They have toured for the past nine years throughout the United States and Canada as well as the Middle East, Scandinavia and South America.

TV appearances include six years with the nationally syndicated "Day of Discovery" program out of Cypress Gardens, Florida.

Auditions for Messiah

The Waukegan Symphony Chorus has announced auditions for upcoming performances of Handel's Messiah. Auditions will be held on Wednesday, Oct. 18 from 7:00 p.m. to 10:00 p.m. at the Jack Benny Center for the Arts, 1917 N. Sheridan Road, Waukegan. Persons interested in auditioning should call Mrs. Jane Brown at 662-1807 to arrange a time.

Performances will be given by the Waukegan Symphony Chorus, under the direction of Douglas Asbury on Dec. 3, at 4 p.m. in the sing-along version, with the audience joining in performing the choruses; and on Dec. 10 at 4 p.m. in a full length concert version.

The musical play and movie 'Cabaret' was based on a book by Christopher Isherwood, an English playwright and novelist, and originally called 'Goodbye to Berlin.'

News and old faces in Woody Allen play

Woody Allen's "Play It Again, Sam" opens at the PM&L Theater, 877 Main St., in Antioch, Saturday night, Oct. 7.

Subsequent performances are set for Friday and Saturday nights, Oct. 13, 14, 20 and 21.

Curtain time for all shows is 8:30 p.m.

Essentially, "Play It Again, Sam" is Woody Allen's tribute to the late Humphrey Bogart.

The PM&L production is directed by Don Beveroth, who has assembled the cast for the three-act comedy. The company is a balanced combination of newcomers to the Antioch stage along with veterans familiar to PM&L playgoers. The new faces belong to D.H. Martin Domeracki, Bob Quinn and Jan Burdick.

MANY OF THE PM&L old-timers in the cast are well-known to area theater buffs. Pam Guardi, cast as Nancy, is remembered for her "Nursie" role in "The Sunshine Boys" as well as for her work in "See How They Run" and "Harvey."

Frank Greenwood (Bogey) has built up a following on the basis of his performances in "See How They Run" and "Death of a Salesman."

Bev Palmburg has long been a principal

member of the Avon Players, and is remembered for her performance in PM&L's "Charley's Aunt."

MUSICIAN, DANCER and actress Tracy T. Kiederlen has worked in a great number of PM&L shows. The most recent was "No, No, Nanette."

Dee Baum also has a number of PM&L performances to her credit; the most recent include "Death of a Salesman" and "No, No, Nanette."

And Nancy Balmes is remembered for her work in such plays as "The Crucible" and "See How They Run."

Persons can call 395-3055 to make reservations to see the delightfully sophisticated Woody Allen comedy.

Recreation activities are planned

noon.

The Antioch Parks and Recreation department said the cost will be \$2 for supplies. Coin purses will be made.

Next Tuesday, Oct. 3, the department will begin classes in needlepoint, men's basketball, women's

volleyball, and exercise.

Applications can be made at the parks and recreation office, 874 Main St.

Groups interested in touring the community's bicentennial sawmill can call Sue Koppa, recreation coordinator, at 395-2160.

Women of the Moose

By JUDITH PAGE

Congratulations were in order for Senior Regent Judy Kelly at last Thursday night's meeting of the Women of the Moose.

On Sept. 11, Judy became a new grandma. The publicity committee decorated the meeting room with signs commemorating the occasion.

The chapter wished last year's senior regent, Judy Cook, good luck as she and the chapter's ritual director, June Ballenger, will travel to Peoria for the Moose state convention, Oct. 6, 7, 8.

Judy Cook will be honored Oct. 8 by receiving a green cap signifying that, while she served as senior regent last year, the chapter made all honors and Judy fulfilled her requirements set forth by Mooseheart.

Other chapter members attending the three day session are collegians Jerri Polson, Gladys Schroeder and Erna Toft.

Judy Kelly reminded members that the next enrollment meeting will be held Oct. 12 - a week late due to the convention.

At this meeting the Mooseheart and Moosehaven committees will have their annual "Christmas Walks" for the young at Mooseheart and the young-at-heart at Moosehaven. Members are asked to bring gifts so the two committees can send them as soon as possible after the meeting.

grounds will be a variety of fire-fighting apparatus. An example is Antioch's 1890 hand pumper which was originally acquired for \$694. (A recently ordered Pirsch pumper cost \$70,000.)

Old Fireman's Day will focus attention on the development of Lake County's fire-fighting service from days of volunteer bucket brigades to modern equipment and techniques.

The event, sponsored by the museum in cooperation with the Lake County Fire Chief's Association and Lake County Forest Preserve District, will also "kick off" the observance here of National Fire Prevention Week, Oct. 8-15.

As a special treat, visitors can fulfill their childhood dreams and ride on a fire engine.

The museum is located in the Lakewood Forest Preserve, seven miles west of Mundelein on Route 176.

ACHS meeting

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, will be held Thursday at 7:30 p.m. in the Board room.

REFLECTIONS

Suggestions of autumn

By LINDA BARNES

A suggestion of autumn is in the air.

You can feel it in the early evening's cool, balmy breeze. You can smell it in occasional wisps of crisp air which may suddenly assail your senses at odd and unexpected times throughout the day.

You can see it in the trees - with the subtle hint of yellows, reds and oranges which begin to adorn their lithe, swaying branches.

MORE DISTINCTIVELY, you may recognize autumn's approach with the sudden vacillations in weather ... from very hot to very cool in almost no time at all.

It is as if the earth, on her long steady journey around the sun, is providing us with a preview of the cold which is to come.

The animals instinctively prepare themselves for the encroaching cold. And so do we.

OUR THOUGHTS TURN to insulating ourselves against the cold - in our clothing, homes, cars, etc.

URBANA, Ill. - Cadet staff assignments for the Army Reserve Officers' Training Corps at the University of Illinois have been announced.

The 1978-79 staff members include Cadet 2nd Lt. Wendell Burris, assistant public relations officer, a senior in microbiology and son of Mr. and Mrs. William Burris, 399 Maplewood Drive, Antioch.

Happenings in and around our community

FASHIONS FOR all seasons will be the theme for this year's dinner-fashion show presented by the members of the Lake Region Homemakers.

The event will be held on Wednesday, Oct. 25, at Andre's Steak House in Richmond.

Dinner tickets can be purchased at the State Bank of Antioch, First Bank of Antioch, Erickson's Sewing Center, Antioch Savings & Loan, or

Slightly jilted, our bodies cringe inwards a bit and react with a brief, fleeting shiver. The first intimations of cold, to which our bodies have been unaccustomed during the warm, carefree summer months, have made themselves felt.

The onset of autumn also psychologically affects us. The brisk, crisp, dry air stimulates and invigorates. To be outdoors in autumn, with the wind blowing, the leaves falling and a magnificent panorama of color before the eyes is one of the greatest pleasures we could know.

Suddenly, we experience a renewal and rejuvenation of energies. As the hot, humid air saps our energies and induces lethargy, so the cool, dry air induces activity, vitality and movement.

OUR HOMES BECOME much more important to us. They must serve as a fortress and retreat against the cold. They appeal to us more, as we contemplate their protective warmth from autumn's chilled evening air.

Lastly, we may occasionally feel a tingle of anticipation or excitement, with the suggestion of change which every new season brings.

from any club member.

ARIES [March 21-April 19] - Making new connections, forming associations are vital to personal progress. Keep abreast of activities; being involved with various concerns keeps you enlightened.

TAURUS [April 20-May 20] - Both romance and business are on the upswing; both can be demanding too. Speculative judgment is keen, maintain that good sound know-how.

GEMINI [May 21-June 21] - Work on improving domestic conditions, residential property as well. You're apt to receive offers concerning real estate but wait about finalizing matters or making major decisions.

CANCER [June 22-July 21] - New and inspirational ideas are sure to occur; do your best to carry out creative plans to further aims. Contacts with others prove advantageous so communicate.

LEO [July 22-August 21] - Important new undertakings are now favored but keep a close watch on finances. Although stars favor for successful ventures there's a tendency to be rash.

VIRGO [August 22-September 22] - A good time for putting new knowledge you've gained to use. Think seriously about future plans, stabilizing matters. Keep aims ambitious but practical.

LIBRA [September 23-October 22] - Your desire for self-improvement can open new doors; don't hesitate to pursue goals, seek favors which give career a boost.

SCORPIO [October 23-November 21] - A favorable week for romance, enhancing personal appearances. Do some shopping for personal attire but show thriftiness as well.

SAGITTARIUS [November 22-December 20] - Expect some alterations and changes with present position. Deal with employment matters sensibly; show diplomacy toward superiors.

CAPRICORN [December 21-January 20] - A decision made by your partner demands respect. Things work out well for all concerned. Many advantages are also to be gained through contacts.

AQUARIUS [January 21-February 19] - Don't allow emotions to interfere with business plans. Let partner have the lead with major decisions.

PISCES [February 20-March 20] - Your best interests are in sharing with others; partners, co-workers lend just the right touch to your dreams. Work in unison, discuss new endeavors.

Green Wing Teals enjoy annual picnic

One of the pleasant events for young people interested in the great outdoors is the annual Green Wing Teal picnic at the Red Wing club, east of Antioch off route 173.

The Green Wing Teals are youngsters who are "junior members" of the Ducks Unlimited organization. Most of their parents are Ducks Unlimited members and accompany them on the picnic.

Last Sunday, 38 boys and girls participated. They took part in trapshooting events, a nature walk, boat rides, instructional sessions on game laws and gun safety and, then ... hot dogs, marshmallows and soda pop.

There were contests, too, and all of the youngsters received prizes.

THE PHOTO at upper left, the Green Wing Teals and their parents enjoy a slide presentation given by Illinois Department of Conservation game wardens Dave Gates, Fred Mathis and Don Goodwin.

The wardens showed pictures of waterfowl, for example, and the young sportsmen displayed their ability to identify them by species.

In the photo at the left, Lucas Hudson (in hunting cap) and friends watch the slide show.

In the photo below, the game wardens demonstrate gun safety to a group that includes Mary Ann Dittmer, Wendy Dittmer, Kyle Christensen, Lucas Hudson, Billy Matthei, Julie Hamlin, Garrett Hamlin and William E. Brook.

OFFICERS OF DUCKS UNLIMITED here are Terry Folbrick, area chairman; Chuck Miller, dinner chairman; Tony Starcevic, prize chairman; Don Morris, finance chairman, and Walter Henning, auction chairman.

Antioch frosh lose, but see a silver lining

Antioch High School's freshman football team lost last Friday to a tough opponent, Warren, 48-6.

"Warren was well-skilled in the basic fundamentals," said Antioch coaches.

Antioch's players weren't surprised by Warren's offense, since they had been preparing to stop the sweep all week. The thing that did surprise the young Sequoits was the Blue Devil's good size and exceptional speed.

The Sequoits found it tough going on the ground as they were able to compile only 36 yards rushing. If there was to be a silver lining in the contest it was the emergence of the Antioch passing game which netted 110 yards, 63 on three passes to wide receiver Bob Thain.

Thain is averaging close to 20 yards per catch on the season.

The lone Sequoit touchdown came midway in third period when Scott Poulter hit flanker Dave Wolbert with a sideline pass. Wolbert side-stepped a defender and skipped the remaining five yards into the end zone.

Antioch sophomores ready for Saturday

Saturday's football show at the high school field begins at 12 noon when Antioch's sophomores take the field against Lake Zurich's sophs.

Last Friday the future Sequoits lost an 18-13 decision at Warren, but they proved they are an aggressive, tough team and their coaches promise:

"They are ready for Lake Zurich."

THE FINAL SCORE last Friday was no indication of how well the Antioch team played.

Warren's Blue Devils took the lead in the first half when they broke loose for touchdown runs of 44 and 17 yards.

One second before the half ended, Antioch scored on a 23-yard pass from Bob Heffernan to John Jackson, closing the gap to 12-6.

IN THE FOURTH period, with less than five minutes remaining, Antioch tied the game on a six-yard run by Mark Pomazak. Dino Sisto kicked an extra point to put Antioch ahead 13-12.

Pomazak helped set up his own touchdown, along with good ball-carrying by Steve Jennerich, Hal Fox and Jeff Schleusener.

But Warren came back to win the game on a triple-reverse, halfback pass with only 40 seconds on the clock.

State Bank softball team completes successful season

The State Bank of Antioch softball team completed its season with a first place finish in a 32-team tournament at Palmyra, Wis.

Coming from behind in the first game to win in extra innings, on a home run by Don Pyles, the Bankers had little trouble in their remaining four games.

Each game was won by more than 10 runs.

Gary Murphy, the bank's shortstop, was voted M.V.P. of the tournament.

Also having an outstanding performance for the three days was Pyles, winning pitcher in all five games.

Larry Boegen, Mike Sterbenz and Jack Wiech were consistent home run hitters, with Verl Jordan contributing a couple of round-trippers in the championship game.

Rick Herdliska batted over .700 for the series and contributed some fine defensive play, as did Ed Ambacher and Mark Wagner.

The State Bank team competed this year in the Classic League in Waukegan, the Hooker Lake Inn league in Wisconsin (where they won the championship) and also in numerous tournaments in Wisconsin and Illinois.

The Bankers finished in second place in the tough Gesky Memorial in Waukegan, and third in the Eagle River Invitational in Wisconsin.

Other players on the team are Ken Kube and Richard Wolf, co-managers; Chuck Schuth, Greg Krebs, Scotty Lowe, Don Carden, Mike Perrone, Chuck Gandolf, Lynn Carlson and John Wiech. Over half of the total roster consists of players from the Antioch area.

Basketball officiating course set

The College of Lake County is offering an officiating class for persons who want to learn to officiate basketball.

The class is designed to prepare men and women for the Illinois High School Association's basketball test.

Those who complete the course should be ready to begin officiating on the junior high school and freshman levels.

The class begins Wednesday, Oct. 4, and will meet for six weeks on Wednesdays from 7 to 9:45 p.m. at the National Guard Armory, 1600 Glen Flora Ave., Waukegan.

Bruce Smith, basketball coach at the College of Lake County, will teach the class with the aid of several high school officials.

Registrations are being accepted in the admissions office at the college. The class offers one semester hour of college credit.

Are the Sequoits ready to win?

We get the answer Saturday

Antioch's Sequoits have lost their first three football games. Lake Zurich's Bears have won three in a row.

The two high school teams clash at Antioch's field Saturday, 2 p.m., following a 12 noon sophomore contest.

Just because Lake Zurich is 3-0 and Antioch is 0-3 doesn't mean Saturday's game isn't a tossup.

ANTIOCH'S LOSSES were to three very tough teams. Few people expected the Sequoits to win any of those games, and few expected them to come as close as they did on the last two weekends.

Last Friday the Antioch gladiators opened their conference season by playing everybody's favorite to win the title, Warren's Blue Devils, and losing by only 9-0.

Now, however, there are two other title contenders - Lake Zurich and Stevenson - and those are Antioch's next two opponents. Both are unbeaten after three games.

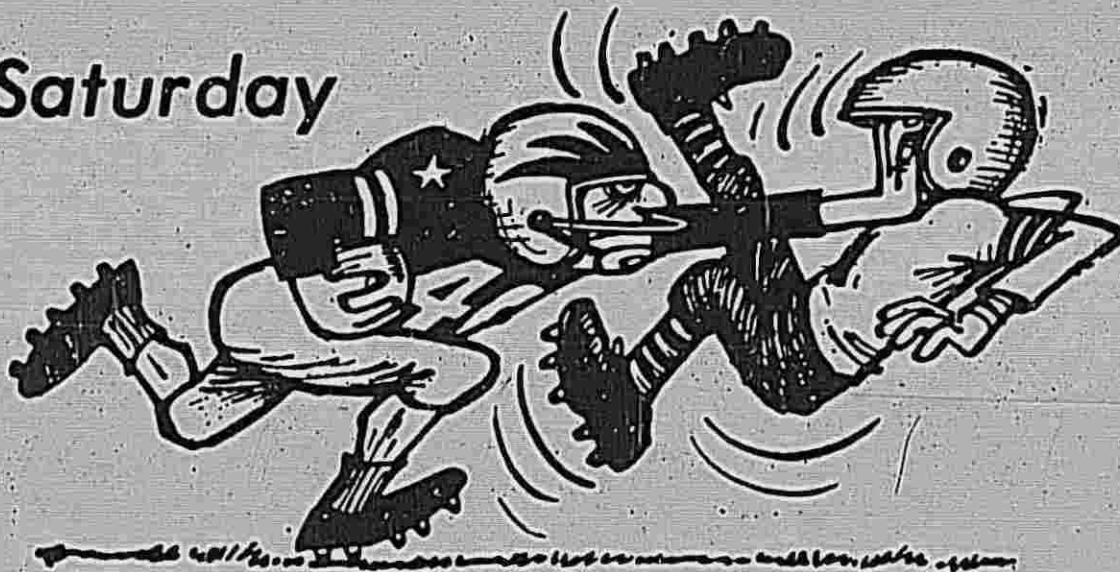

LAKE ZURICH OPENED the league schedule with a 20-13 victory over Grayslake last Saturday.

"We saw that game," said Antioch's head coach, Steve Wapon, "and they're an excited team. Most people didn't figure they were going to be where they are now. They come here Saturday dreaming about the playoffs."

Wapon said Lake Zurich has good speed in its backfield, including a "real active quarterback" in Larry Boucher.

"He's a scrambler who runs around back there until somebody gets open. They also have good-sized ends which helps their passing game."

Wapon also said the Bears' running backs are quick.

IN THE LOSS to Warren, Antioch's offense was pretty much stopped cold by a team that controlled the line of scrimmage, making it difficult for the Sequoits to run. They also had little success with their passing game.

Quarterback Rob Nauman and running backs Denis Flaschner, Gene Lehn and Greg Bodin should find Lake Zurich easier to move the ball against, but Wapon warned:

"I don't think our players are content just because they gave Woodstock and Warren good battles the last two weekends. They aren't going to be happy until all of us get our act together and start beating some of these people."

THE COACH ADDED that "the kids are all working hard and their attitude has been very good. They have played three strong football teams. They shouldn't be afraid of anybody after that."

Antioch trailed Warren by only 3-0 at the half and Warren's only touchdown came after its linebackers

caused a fumble on the Antioch five yard line.

Other than that, the Antioch defense stopped Warren's offense whenever it got near the Antioch 20.

One of Antioch's few chances to score came late in the fourth period as Bodin made a nifty interception from his defensive halfback position. Bodin picked the ball off at the Antioch 19 and returned it 45 yards to the Warren 36.

Bodin almost broke loose for a touchdown but, after that play, the Sequoit offense stalled again.

DEFENSIVE STANDOUTS for Antioch included Dan Chrichton, senior defensive back, who made four solo tackles and had six assists; Mike O'Hara, senior defensive tackle, who stopped one ball-carrier by himself and helped on 12 other tackles; Scott Gallagher, senior defensive end, who had five assists and twice dropped the Warren quarterback in his own backfield, and Andy Dziki, senior linebacker, who had three solo tackles and 10 assists.

Cathy Tanner wins football contest

Cathy Tanner not only is a recreation supervisor, she's a football expert too.

Cathy, 19, who works for the village recreation department, won the Antioch News' weekly football contest by accurately predicting Warren would defeat Antioch by 9 points.

The score was 9-0.

Cathy will receive a \$15 savings account at the Antioch Savings & Loan Association.

THREE YOUNG MEN tied for second in the contest, picking Woodstock over Antioch by either 8 or 10 points.

Tony Besson won the second prize, a \$10 gift certificate at A&B Printing Service, by coming closest in the tie-breaker - the Chicago Bears' 24-20 loss to Minnesota.

Brad Herbst and Rick Gossman will receive third place

prizes - Brad a \$5 gift certificate from King's Rexall Pharmacy and Rick a \$5 gift certificate from McDonald's Restaurant.

OTHER KNOWLEDGEABLE forecasters last week included Julie Mowen and Kelly Geist. They picked Woodstock to beat Antioch by 7 points.

Another contest appears in this week's paper, and once again \$30 in attractive prizes will be given. See page 19.

Antioch JV team beats Warren 6-0

Antioch High's junior varsity football team won 6-0 over Warren's jayvees Monday.

The up-and-coming Sequoits now have a 2-0 record this season.

They drove 53 yards for their touchdown Monday, including a 30-yard screen pass from quarterback Jim Sertic to halfback Glen Flanagan.

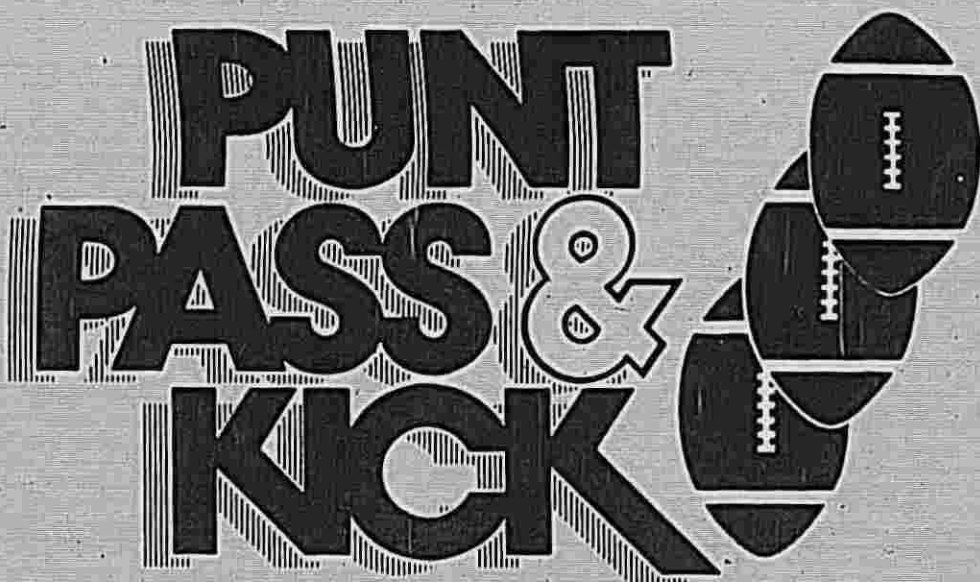

Mitch Case carried the

ball six times during the drive, picking up good yardage. Sertic got the touchdown on a one-yard sneak.

Warren made a strong offensive thrust late in the game but Antioch's defense stopped it.

Coach Steve Wapon said good defensive games were played by Marvin Gibson, Brent Eastman and Tim Plett.

Wanna race? Stay away from Antioch High's girls team

The current running craze, as everyone knows, includes the ladies - but who would have thought Antioch High School would come up with one of the best girls' cross-country teams in the area?

Well, it happened.

The Sequoit girls proved it again last Thursday when they whipped Wauconda 18-39 (low score wins in cross-country).

Carrie Corso won the 1.9 mile race at the Lakewood Forest Preserve, finishing in 12 minutes and 16 seconds.

Next in line for Antioch were Gail Plechaty (in 12:40), Diane Otten, Nancy Harland, Laura Sankey, Beth Pilkington and Ann Weber.

ANTIOCH WON THE boys' varsity race when Wauconda forfeited. But Wauconda beat Antioch 25-30 in the frosh-soph race, with Ron Pike finishing first.

Antioch's Bob Otten came home second and Gary Miller was third.

Others finishing high for Antioch were Alan Ware, sixth, followed by Hank Woolard, Andy Dugenske, Dale Plachaty, Mike Wilms and Kurt Messner.

ANTIOCH'S GIRLS RAN third as a team in the Warren Invitational last Saturday. Mundejein was first and Schaumburg second.

Antioch's boys varsity ran 12th among 15 teams as Waukegan West triumphed. The frosh-soph team was sixth in its division.

Antioch's coach, Ken Kasuboski, said he was pleased with the individual performances of such runners as Jim Eller, Bob Otten, Gary Miller, Carrie Corso, Gail Plechaty and Diane Otten. Each earned a trophy or a ribbon in the big meet.

Volleyball teams get good start

The Antioch High School girls volleyball team started its season with a 2-1 record for the varsity and a 3-0 record for the junior varsity team.

They won both matches in three games against McHenry and North Chicago. Antioch lost to Zion-Benton in two games even though both teams were evenly matched in skill.

Top scorers were Patti Hinz, Sue Gerten, Shelley Wix, Jeanne Venn and Diane Hairrell.

Other players on the varsity team are Sharon Neubauer, Kim Rederer, Mae Stiles, Jackie Saturnia, Dee McDonald and Chris Belter.

Antioch goes against Warren next Monday for its first conference games.

Field hockey team plays the very best

Antioch High School's girls field hockey team isn't afraid of anyone.

The Sequoits took on New Trier West, second in last year's state tournament, and lost 4-0.

Antioch was forced to play some people "out of position" because of two of its starters were absent.

"Antioch played well but was outclassed by a strong team," coaches said.

On Friday the girls lost 1-0 to visiting Barrington. Laura and Kathy Ogden were among the defensive

stars, but Antioch's offense couldn't capitalize on scoring chances.

Today, Antioch plays at Homewood Flossmoor and, Saturday, a strong New Trier East team will be here at 10 a.m.

Dick Kessler on college's varsity team

Dick Kessler of Antioch is one of three freshmen competing for the starting center position on the Illinois College football team.

The Jacksonville, Ill., team is hoping to equal its 7-1 record of last year. It was the college's finest football season since 1938.

Coach Joe Brooks calls Kessler, a 6-foot, 215-pounder, "a strong athlete and a fine blocker."

Kessler won two letters in football, three in wrestling and one in track and field while at Antioch High School.

VIKING SCOREBOARD

HEAVYWEIGHTS

The Antioch Viking Heavyweights romped over Rolling Meadows 20-0.

Antioch took command with two T.D.'s in the first quarter.

The first score resulted from runs of 27 and 20 yards by Andy Lehn.

Defensive player Ray Bergman then stripped the ball from the Rolling Meadows ball carrier, giving Antioch possession again. Lehn scored the second T.D. with running help from Steve Haase and good blocking from the offensive line.

In the second quarter Rolling Meadows was unable to move the ball. Antioch quarterback Derek Olson, Lehn and Haase collaborated to reach the 2, but failed to score on fourth down.

The third quarter opened with a kickoff return to the 45 by Kevin Kovach. Rolling Meadows stopped the Antioch advance and took possession. Viking John Humphreys intercepted the ball on his own 20 and carried to the Rolling Meadows' 34. Lehn, Haase and Kovach advanced the ball, with Kovach making the T.D. on a pass from Olsen. Olsen kicked for 2 points after the T.D.'s.

LIGHTWEIGHTS

The Antioch Viking Lightweight won 41-0 over the Rolling Meadows Pintos Sunday.

In the first quarter a T.D. by Lester Zitkus was scored on a 30 yard pass from quarterback Tom Adams. Tim Cardwell ran in the extra point.

Three touchdowns came in the second quarter. The

first score was by Joel Bissing and the second by Cardwell from a Tom Adams pass.

Adams then scored the extra point making it 21-0.

With a minute to go in the first half, Jeff Kempfer intercepted and ran for the third score.

In the third quarter Eddy Silva caught a 45 yard pass from Adams and advanced the score to 34-0. Zitkus scored the last T.D. after an interception.

Outstanding plays were made during the game by Mike Evans, John Oelkers, Dan Berkiel, John Silianoff and Phil Aschbacher, coaches said.

FEATHERWEIGHTS

The Viking Buccaneers played their second game of the season with a 40-6 win over the Viking Warriors.

Brian Hairrell and Dean Elrod had two touchdowns apiece with Brian Becker and Brad Poulter scoring one each.

Extra points were added by Gus Mancuso, Dave Pinkham, John Ruggles and Dean Elrod.

The Buccaneers gained 388 yards.

Fine blocking was turned in by John Geir and tackling by Bill Fleming, coaches said.

Warrior Ed Antkowiak opened the second half by scoring a touchdown on a 70 yard kickoff return. Joe Cates and Dean Frasch led the run with fine blocks.

Warrior coaches also credited Rod Volling and Dave Hart for outstanding tackles.

In a well-matched game, the Viking Raiders scored first in the second quarter on an interception and touchdown by John Dugenske.

The Viking Seahawks sent Tom McLellan into the endzone for two touchdowns in the second half. An extra point was run in by Bob McMahon, making the final score Seahawks 13, Raiders 7.

Outstanding Seahawk plays were an interception by Stan Koligoski and a pass play from quarterback Gary Foley to Bob Rakoncaj.

District 34 discusses slight enrollment drop

Antioch's Grade School District 34 has seen a decline in student enrollment at the onset of the 1978-79 school year.

A count taken on the sixth day of the school year revealed a loss of 30 students

to the district.

This information, given to the board at its Sept. 19 meeting, spurred some discussion among board members and attending district principals.

Mr. Bruce Jablonski, board member, questioned the decline of children in the school system in light of the great number of new homes being built in the area.

BUSINESS MANAGER Ron Chilcote pointed out that many of the new homes are extremely expensive and bought or constructed by couples who do not have children.

Mr. Harley Ware, principal of Antioch's Lower Grade School, said many students who come to his school are children of families who rent houses. These type of students do not stay, said Mr. Ware.

Dr. Donald Skidmore, District 34 superintendent, said the district's schools have not suffered anywhere near the loss of students other school districts have. Some have lost as much as 30 percent to 40 percent of their students.

DR. SKIDMORE SAID he felt the decline is a temporary situation and that he hoped the district would gain new students throughout the school year.

In other action at the meeting, the board discussed a physical education waiver.

State law requires students to partake in physical education classes every day. But with the present lack of facilities at two schools, Oakland and Lower Grade School, they are not able to provide a five-day-a-week physical education program.

District 34 is requesting that this requirement be waived until new facilities (the new grade school) are built.

ALSO AT THE MEETING, Dr. Skidmore introduced administrative evaluation forms.

The forms will be used to appraise and assess administrative staff. Evaluation will take place sometime in January.

Dr. Skidmore said he also will be using the form to evaluate himself.

"It is helpful to me personally because it gives a point of reference for where I should be concentrating for the next year," said Dr. Skidmore.

"I'm really happy that we have a superintendent who wants to be evaluated," said James Quedenfeld, board member.

The meeting concluded with an executive session to discuss negotiations.
